PROFILE

A passionate web developer intern with a drive to create exceptional user experiences through the use of my frontend skills. Seeking a position to leverage strong technical and problem-solving skills and extensive web development knowledge to achieve organizational efficiency, reduce page load speeds and optimize user interfaces. My short term goal is to get a job in a reputed company and long term goal is to achieve a good position. Where I can build my career and help the organization too. I learning from my past mistakes and experiences.
